“A Cry For Help”

Lord, you heard my cry.
It was a cry for help.
I don't know why
you heard my plea.
You didn't flea.

I couldn't run
from all of them.
We had so much fun
way back when.

Chorus:

Lord, you heard my cry
it was a cry for help.
A cry for help.
A cry for help.
A cry for help.
A cry for help.

When I did cry
I never did lie
I almost did die.
If it weren't for you
don't know what I'd do.

Repeat Chorus.

“You Kicked The Habit”

Life is so expensive.
Do you know how much
it costs to have a kid?
You need thirty thousand a year.
If you quit smoking
It could save you some money.
Everything you buy is a luxury.

You kicked the habit
and saved a small fortune.
You kicked the habit.
You kicked the habit.
You kicked the habit.
You kicked the habit.

for those who

I never had so much free time
'Til I got this cell phone of mine.
My free minutes rolled over.
I'm so lucky I found
a four leaf clover.

Where did you find
the time to do that?

go out there

But we played well.
We played ball.
We beat them all.

We gave them hell.
We gave them hell.
We gave them hell.
We gave them hell.

“How Do You Top That?”

There’s a rock group
they’re better than us.
They don’t have a van.
They have a tour bus.
How do you top that?
Even we can’t top that.

They have guards for security
and limos.
That’s how it goes
in the music biz.
They’re too rich for me.
How do you top that?
Even we can’t top that.

We’re so poor
they don’t wanna hear any more.
We got boo’ed off stage.
We got the audience in a rage.
How do you top that?
Even we can’t top that.

How about whalen
Van Halen?
He taps the fret.
On every set.
How about The Clash?
They’re a smash.
How do you top that?
Even we can’t top that.

That Atom Rush.
He’s a cool cat.
There go The Beatles
and The Eagles.
How do you top that?
Even we can’t top that.

“I apologize”

For loving you.
For wanting you.
For needing you.

I'm very sorry.
For being me.

For pleading you.
For begging you.
For prodding you.
I don't tell lies.
I apologize.

I apologize.
I apologize.
I apologize.
I'm very sorry.
For being me.

For loving you.
For wanting you.
For needing you.
I don't tell lies.
I apologize.

I apologize.
I apologize.
I apologize.
I'm very sorry.
For being me.

“I’m as Good as New”

I hate to say
I told you so.
There is somethin’
that you should know.
I’m over you.
I’m as good as new.

I’m as good as new.
I’m as good as new.
I’m as good as new.
‘Cuz I’m over you.

When we broke up
'twas understood.
Your love was cold.
You were no good.
My love grew old.
Nothin’s as it should.

I hate to say
I told you so.
There is somethin’
that you should know.
I’m over you.
I’m as good as new.

I’m as good as new.
I’m as good as new.
I’m as good as new.
‘Cuz I’m over you

It didn’t hurt
to let you go.
There is somethin’
that you should know.

It was because
our love didn’t grow.
I’m over you.
I’m as good as new.

I’m as good as new.
I’m as good as new.
I’m as good as new.
‘Cuz I’m over you.

“Life’s A Bitch”

It’s like a dog
without a bone.
There’s no switch.
Life’s a bitch.
Don’t ask me why.
What do you mean
turn off my phone?

Life’s a bitch
and then you die.
Life’s a bitch
and then you die.

You can’t do it.
My cover’s been blown.
There’s no switch.
Life’s a bitch.
Don’t ask me why.
What do you mean
turn off my phone?

Life’s a bitch
and then you die.
Life’s a bitch
and then you die.

I’m not a King
but sometimes I have to
get off my throne.
There’s no switch.
Life’s a bitch.
Don’t ask me why.
What do you mean
turn off my phone?

Life’s a bitch
and then you die.
Life’s a bitch
and then you die.

“Reboot My Machine”

I got so excited that I
had to re-boot.
Then you tell me
there's no vaccine.
Its not my scene.
Re-boot my machine.

Re-boot my machine.
Re-boot my machine.
Re-boot my machine.
Re-boot my machine.

System error.
The system said
error nine-teen.
Then it told me
there's no vaccine.
Its not my scene.
Re-boot my machine.

Re-boot my machine.
Re-boot my machine.
Re-boot my machine.
Re-boot my machine.

“She Wants To Be Friends”

I want to know
if you love me.
You say you do.
Say you love me.
You say it depends.
She wants to be friends.

She wants to be friends.
She wants to be friends.
She wants to be friends.
She wants to be friends.

Its not love
but its a start.
You’ve got my heart.
Say you love me.
You say it depends.
She wants to be friends.

She wants to be friends.
She wants to be friends.
She wants to be friends.
She wants to be friends.

“So Is Rock-n-Roll”

In my religion
you just can't win.
'Cause everything is a sin.
That's not a toy.
You naughty boy.

They say confession
is good for the soul.
But then again
so is Rock-n-Roll.

So is Rock-n-Roll.
So is Rock-n-Roll.
So is Rock-n-Roll.
So is Rock-n-Roll.

I'm far from the
virtue of purity.
But I know that
Jesus is with me.
I have to be free.
That's not as reality.

They say confession
is good for the soul.
But then again
so is Rock-n-Roll.

So is Rock-n-Roll.
So is Rock-n-Roll.
So is Rock-n-Roll.
So is Rock-n-Roll.

“The Mood Is Gone”

I want it to stay
but it is gone.
The mood is gone.
The mood has gone away.

The mood is gone.
The mood is gone.
The mood is gone.
The mood is gone.

I watched it fade
with the plans we made.
I want it to stay
but it is gone.
The mood has gone away.

The mood is gone.
The mood is gone.
The mood is gone.
The mood is gone.

I want you to play
but the mood is gone.
I'm sad to say
but the mood has gone away.

The mood is gone.
The mood is gone.
The mood is gone.
The mood is gone.

“What’s Wrong With Me Doc?

Do I need an
operation?
Do I need some
medication?

What’s wrong with me Doc?
I just can’t rock.
What’s wrong with me Doc?
I just can’t rock.

I took a pill.
It made me ill.
What’s wrong with me Doc?
I just can’t rock.

What’s wrong with me Doc?
I just can’t rock.
What’s wrong with me Doc?
I just can’t rock.

I went to see my Psychiatrist
about my problem.
He said man you’ve got
the wrong kind of a Doc.
He said you need to see a rocktologist.
He said here’s one I recommend.
but he’s not free.

What’s wrong with me Doc?
I just cant rock.
What’s wrong with me Doc?
I just can’t rock.

So I went to see my rocktologist
the other day
He said
you’ll be okay.
Listen to me...
your just off key.

What’s wrong with me Doc?
I just can’t rock.
What’s wrong with me Doc?

“When to Walk Away”

I wouldn't ask
you to stay.
I know when
to walk away.
and when to run.

I know when to walk away.
I know when to walk away.
I know when to walk away.
I know when to walk away
and when to run.

I tried to walk
when I heard the talk.
I tried to run
when I heard
the starting gun.

We'd never stop
having fun
when you were
the only one.
We have only
just begun.

I wouldn't ask
you to stay
I know when
to walk away
and when to run.

I know when to walk away.
I know when to walk away.
I know when to walk away.
I know when to walk away
and when to run.

“Why Can’t My Friend be a Woman?”

I met a man.
His name is Jim.
I don’t need anyone
else but him.

Why Can’t my friend be a woman?
Why can’t my friend be a woman?

He feels the same
way about me.
Why can’t it be
that he was a she?

Why can’t my friend be a woman?
Why can’t my friend be a woman?

It may sound stupid.
But he is my cupid.

Why can’t my friend be a woman?
Why can’t my friend be a woman?

“You Could Drive Me Mad”

You were the best
I ever had.
There is one thing
that makes me sad.
You could drive me mad.

You could drive me mad.
You could drive me mad.

Then you tease me.
I wish you would
just let me be.
You think your bad.
You could drive me mad.

You could drive me mad.
You could drive me mad.
You could drive me mad.
You could drive me mad.

You say you will
not go away.
I wish you would
not ever stay.

You were the best
I ever had.
There is one thing
That makes me sad.
You could drive me mad.

You could drive me mad.
You could drive me mad.
You could drive me mad.
You could drive me mad.

Policeman?
Then you tell me...
Anybody can.

Anybody can.
Anybody can.
Anybody can.
Anybody can.

When I ask you...
Who can be
President of The
United States?
Then I say man...
Anybody can.

Anybody can.
Anybody can.
Anybody can.
Anybody can.

“Beer Night”

We searched the walls.
We searched the floor.
There was no more.
It's as I fear.
There's no more here.
Who drank all the beer?

Who drank all the beer?
Who drank all the beer?
Who drank all the beer?
Who drank the last beer?

We did it on the bosses dime.
Then the cop said
it was a crime.
Its as I fear.
There's no more here.
Who drank all the beer?

Who drank all the beer?
Who drank all the beer?
Who drank all the beer?
Who drank the last beer?

Its as I fear,
there's no more here.

Who drank all the beer?
Who drank the last beer?

He knows how to
do it himself.
That’s how it goes.
It really shows.
Even my dog knows.

Even my dog knows.
Even my dog knows.
Even my dog knows.
Everybody knows.

What does he know?

I used to drink coffee
but the last time
I went to buy a cup

I'm feelin' the pinch.
Saving money's a cinch.

The price went up.
The price went up.
I'll buy the no name.
The price went up.
The price went up.
But my budget stayed the same.

I wanted to
buy some Fluff
but I didn't have enough
'cause the price went up.
I'm feelin the pinch.
I am no grinch.

The price went up.
The price went up.
I won't play their game.
The price went up.
The price went up.
But my budget stayed the same.

I used to smoke
but the cost of it
is no joke.
The price of things today.
I say no way.
No way Jose.

The price went up.
The price went up.
I won't play their game.
The price went up.
The price went up.
But my budget stayed the same.

Play it for me in stereo.
Play it for me in stereo.

Play it for me but not for free.
Play it for me in stereo.

Play it for me in stereo.
Play it for me in stereo.

I don’t know why
I have no clue.
It’s more fun with you.

It’s more fun with you.
It’s more fun with you.
It’s more fun with you.
It’s more fun with you.

If I did it
all on my own
then I would do
it all alone.
Don’t leave me alone.

I can’t deny.
How to do it.
I don’t know why.
I have no clue.
It’s more fun with you.

It’s more fun with you.
It’s more fun with you.
It’s more fun with you.
It’s more fun with you.

“It Used To Be Great”

It'll go down
in history.
It's not the same as it used to be.
It's not the same as it used to be.
It's not the same as it used to be.
It's not the same as it used to be.

It's the new one
I really hate.
We can change it.
It's not too late
It used to be great.

It used to be great.
It used to be great.
It used to be great.
It used to be great.

It'll go down
in history.
It's not the same as it used to be.
It's not the same as it used to be.
It's not the same as it used to be.
It's not the same as it used to be.

It's the new one

It used to be great.
It used to be great.
It used to be great.

“Me And My Band”

Me and my band.
Give us a hand.
Me and My band.
Give us a hand.

We chase after all the girls.
We go for cheap thrills.
We don't take
any pills (haha).

Me and my band.
Give us a hand.
Me and my band.
Give us a hand.

We hit the bars.
We don't steal cars.
We don't eat bugs.
We don't do drugs.

Me and my band.
Give us a hand.
Me and my band.
Give us a hand.

“One Note At A Time” (A Songwriters Song)

I've got a song.
Its in my head.
A melody
with words that rhyme.

I will write it.
You can sing it.
One note at a time.

One note at a time.
One note at a time.
One note at a time.
One note at a time.

Its not special
but its a start.
Notes with spaces
not too far apart.

I've got a song.
Its in my head.
A melody
with words that rhyme.

I will write it.
You can sing it.
One note at a time.

One note at a time.
One note at a time.
One note at a time.
One note at a time.

It doesn't have
to be a hit.
This song in my head.
One note at a time.
That's what I'll call it.

“That Explains A Lot”

We fit together
like a glove.
I say its love.
You say its not.
That explains a lot.

That explains a lot.
That explains a lot.
That explains a lot.
That explains a lot.

I say its old.
You say its new.
I say its true.
You say its not.
That explains a lot.

That explains a lot.
That explains a lot.
That explains a lot.
That explains a lot.

“The Large Was Too Small”

This one's too tight.
This one's not right.
I tried them all.
The large was too small.

The large was too small.
The large was too small.
The large was too small.
The large was too small.

This one's too light.
This one's too white.
I tried them all.
The large was too small.

The large was too small.
The large was too small.
The large was too small.
The large was too small.

You say I'm fat.
I say I'm not.
I say its class.
Its class I've got.

This ones too dark.
Its got no spark.
I tried them all.
The large was too small.

The large was too small.
The large was too small.
The large was too small.
The large was too small.

“There’s No Saving Me”

I’m damned if I do.
I’m damned if I don’t.
You might disagree.
There’s no saving me.

There’s no saving me.
There’s no saving me.
There’s no saving me.
There’s no saving me.

Hell ain’t so bad
a place to be.
You might disagree.
There’s no saving me.

There’s no saving me.
There’s no saving me.
There’s no saving me.
There’s no saving me.

“Too Rich To Be Bought”

Even the rich
they want more stuff.
I put a stitch
into my cuff.
When is it enough?

When is it enough?
When is it enough?
When is it enough?
It's never enough.

It's not somethin'.
Somethin' I caught.
I'm not too rich.
Too rich to be bought.

Too rich to be bought.
Too rich to be bought.
Too rich to be bought.
Too rich to be bought.

“Visions Of Reality”

When your visions of reality
aren't as you've imagined them to be.

You can't hold on.
You can't hold on.

You must hold on.
You must hold on.

You will hold on.
You will hold on.

Dead Indian soldiers
lyin' all over the ground.
That's the meaning of war.
You feel like an outcast
due to events of the past.

Let it go
and I will restore
your visions of reality
to how you've
imagined them to be.

Let's just say
I was testing the bounds of reality.
I was just curious to see what would happen.
That's all it was...
just curiosity.

"We Are One"

We are one but we're not the same.
Some are short.
Others are tall.
Some are big.
Others are small.
We are one but we're not the same.

Some are happy.
Others are sad.
Some are crazy.
Others have gone mad.

We are one but we're not the same.
We are one but we're not the same.
We are one but we're not the same.
We are one but we're not the same.

Some are lonely.
Others have fame.
Some are wild.
Others are tame.

We are one but we're not the same.
We are one but we're not the same.
We are one but we're not the same.
We are one but we're not the same.

“What’s The Catch?”

Don’t wait ’til its too late.
That’s what I said.
Think ahead.

Think ahead.
Think ahead.
Think ahead.
Think ahead.

If you wait until it’s a problem
that won’t solve a thing.
I’m hoping that a bell will ring.

Don’t wait ’til it’s too late.
That’s what I said.
Think ahead.

Think ahead.
Think ahead.
Think ahead.
Think ahead.

A solution
is better than
another problem.
That’s my explanation.
You might ask me what’s the catch?
Then its my head I will scratch.

Don’t wait ’til it’s too late
That’s what I said
Think ahead.

Think ahead.
Think ahead.
Think ahead.
Think ahead.
